And So The Journey Begins

Proud to be an Eagle: This has been my message since I first arrived at NLSS three years ago. This slogan has found its way onto shirts, signs and onto our web site. Proud to be an Eagle shirts can be seen in our halls, on our streets and in elementary school classrooms. It is a good slogan that reflects the pride that is evident in our school.

All you have to do is watch students in action to see the Pride that exists in this building. Whether you attended drama productions (Feed Me), Coffee House, Music Night, or the Haiti Benefit night you couldn't help but see the pride displayed by students, parents and community members. If you attended our 3rd Annual Homecoming you would have seen a great outpouring of school pride. If you shop at the Eagle's Nest, have been served a meal by Eagles Catering or have visited the Breakfast Program, you have seen how proud our students are of the work that they do. If you attend any of our athletic events, fund raising events, Reach for the Top, the Coop Fair, or any of the Club and Organization meetings you will have seen how proud our students are to contribute to and represent our school.

I am proud when visitors to our building from our community, other schools, cities and Boards of Education comment on the tone of our building, the behavior of our students and of our unique programs, some which are being used as a model provincially. I am proud of the exceptional student leadership and school

spirit I see during our provincially recognized Awesome Eagle Encounter each year. I am proud of the ground breaking School to Work Transition partnership that has been established with NLSS, Community Living Sarnia Lambton and the Lake Smith Conservationists. I am proud of our School Council which is one of the largest and most active School Councils within the Lambton Kent District School Board. I am proud of our secretarial staff who are the best in the Board and who do countless things behind the scenes to keep our school running. I am proud of our support staff who take such pride and ownership in and take such great care of our school. I am proud of our exceptional teaching staff and of the many highly effective and innovative teaching practices used in our classrooms each day. I am proud of our schools ability to meet the needs of all of our students. I am proud of our consistently strong performance on EQAO and OSSLT testing, I am proud of our student success rates and of the extra effort that our teachers put in every day to encourage and assist all of our students. I am proud of the inclusiveness that is evident in all parts of our building.

Quite simply, I am Proud to be an Eagle.

Congratulations to everyone on a great year.

Mr. Morton
Principal

Mr. Morton speaking at the Awesome Eagle Encounter.

Mr. Morton at Athletics Awards giving a speech.

Mrs. Ferguson in spirit on homecoming.

Mrs. Ferguson and Mr. Morton at 2010 NLSS prom.

Hi Eagles!

Another year has "flown" by And what a great year we've had! In September, I challenged everyone to get out of his or her comfort zones and take risks. I hope you acted on an opportunity to push yourself a little further this year and in the process you found more strength and confidence. Please keep striving to be the best you can be with everything you do. And remember.... "Without confidence nothing is possible, but with confidence nothing is impossible" (Anonymous).

I wish all the graduates well in all their future endeavors and I hope you look back on your high school years with fond memories.

To all Eagles...I hope you have a relaxing and rewarding summer and I look forward to seeing you in September!

Mrs. Ferguson

Keepin' It Between the Yellow Lines

North Lambton's office staff is like the yellow lines on the road - they keep everything organized and together. Our office staff consists of councilors Mrs. Willick and Mr. Sheeler; secretaries Mrs. McKay, Mrs. Smith, Mrs. Jory. This year our NLSS students were introduced to a new librarian. Welcome to North Lambton Ms. Blonde!

Ms. Blonde, who has worked at a variety of libraries, said that the North Lambton library is different from the other places she has worked at. When asked what was different, Ms. Blonde replied that "this library has a narrower age group, so I am able to focus more on teen services and am able to find the perfect book for a student." Ms.

Blonde took over for our retiring librarian, Mrs. Fenner in mid term first semester and has enjoyed her time here very much. Of course she is not the only one working in the library, Mrs. Cole is the library clerk. Some of the most enjoyable moments of their work are "seeing what random things the kids decide to do throughout the day."

There are also many others that help to keep this school organized and running, like Mr. Hansen, study hall's finest and Mrs. Homer, our computer technician. We cannot forget our reliable custodians, Mr. Bell, commonly known as Garnett among the students and staff, Lori Stewardson, Barb Hartlet, Kim Anderson, Debbie

Giles, and Doug Hilbert. And to keep the students well nourished there are our 'lunch ladies' Doris and Judy.

Thanks to all the staff for supporting North Lambton and making this year great!

Garnett still smiling

Mrs. Willick, usually hard at work, takes a break for a picture

Mrs. Smith, Mrs. Jory, and Mrs. McKay our lovely secretaries

Doris and Judy take a break from their schedual to cook up some smiles

Mr. Hansen... just being himself

Just some of the main people who keep this school running, Mrs. Smith, Mrs. Jory, Mrs. McKay, and Mr. Sheeler

Mrs. Smith, smiling as usual. We will miss you next year.

Welcome to the library, Miss Blonde.

Mrs. Cole working hard in the library.

Ms. Homer, the computer technician

Mr. Hansen, goofing around

Lori Stewardson, one of our custodians

A New Direction

Commencement 2009

Derek Soetemans receiving his diploma from Mrs. Sanders

The air was filled with excitement as the graduates came back to North Lambton Secondary School for their final good-

bye. The commencement program began with the graduates receiving their diplomas, followed by Ontario scholars and

scholarship and award winners. Commencement ended with Michael Vanhevel singing his valedictorian speech!

Shannon Kelly receiving her diploma from Mr. Vandenberg

Michael VanHevel singing his valedictorian speech

Ontario Scholars who had an average over 80%

Valedictorian Speech
By Michael VanHevel

And now, the end is near;
And so we face the final curtain.
My friends, I'll say it clear,
I'll state my case, of which I'm certain.

We've lived 4 years of class.
And traveled each and every hallway;
And more, much more than this,
we did it our way.

Regrets, we've had a few;
But then again, too few to mention.
We did what we had to do
Some got straight A's
Some got detention.

We picked each charted course;
We drove, or rode the bus each weekday,
But more, much more than this,
We did it our way.

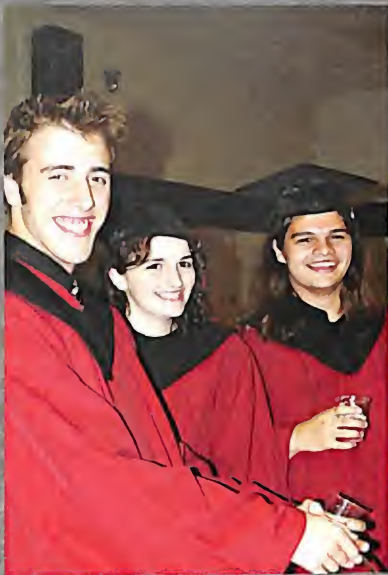

Yes, there were times, I'm sure you knew

When we bit off more than we could chew.
But through it all, when there was doubt,
We ate it up and spit it out.
We faced it all and we stood tall;
And did it our way.

We've loved, we've laughed and cried.
We've shown our skills; we've tried some new things.
And whether, Academic or Applied,
I'm sure we've had our share of snoozing.

But still we did all that;
And may I say - not in a shy way,
Oh no, oh no not us,
We did it our way.

What have we learned, what have we been taught?
To be ourselves, and that's a lot.
To do the things we truly want;
And how to type, and in which font.
Our record shows we took the blows
And did it our way!

Michael, Karly, and Abe enjoying the punch that was served

A New Journey Begins

NLSS GRADUATES

WE MAY RUN, WALK, STUMBLE, DRIVE, OR FLY, BUT LET US NEVER LOSE SIGHT OF THE REASON FOR THE JOURNEY, OR MISS A CHANCE TO SEE A RAINBOW ON THE WAY.

Rachel Acton

David Aitken

Highschool has been a blast...but the best is yet to come. XBC!

Andria Atchison

Live life to the fullest! Because if you don't, you'll miss out on a lifetime of opportunities!

Amanda Augustine

Life is too short to be someone that you're not. Be yourself and enjoy those awesome years of life.

Brodie Balcom

Amy Batten

In the end, it's not the years in your life that count, it's the life in your years.

Melissa Bosch

And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent. John 17:3 The Bible KJV

Daniel Boyd

My interest is in the future because I'm going to spend the rest of my life there.

Tyler Boyd

Willy Boyd

Hilary Bressette

Don't forget to smile!

Brandi Brown

Brenden Campbell

Dillon Campbell

Highschool is like toilet paper. You only miss it when it's gone.

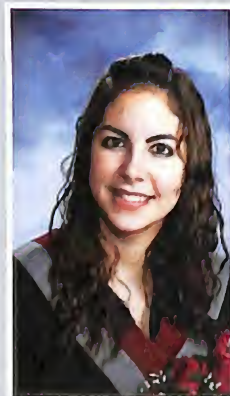

Jody Chalmers

The greatest pleasure in life is doing what people say you cannot do. Thanks for always being there Holly!

Bradley Clark

Carlee Clark

When life gives you lemons, make...orange juice!

Courtney Clark

Garrett Cloud

When the rich wage war, it's the poor who die! XBC!

Celine Comley

I think the highest and lowest points in your life are the important ones. Anything else is inbetween. Want the freedom to try everything and make mistakes.

Travis Copeland

Always look on the bright side of life.

Curtis Datema

Ben Davies

Spencer Dicesare

Haeden Donald

There are things known and things unknown and inbetween are the doors.
-Jim Morrison

Jolene Douglas

Life is like a novel, with the end ripped out.

Do what
makes you
happy, be with
who makes
you smile,
laugh as
much as you
breathe, and
love as long
as you live.

Andrew Veens

Never take life
seriously,
nobody gets
out alive
anyway.
XBC!

Sarah Veens

Holly Vossen

Life is like a mirror, it's better when you smile at it.

Krystal Waller

Kristen Ward

Laugh as much as you breathe and love as much as you live.

Maygin Ward

Don't judge people by how they look, judge them by what they bring to the table or else you'll never really get to know them!

Xander Ward

Space, it seems to go on and on forever, but then you get to the end and the gorilla starts throwing barrels at you.
-Philip j. Fry

Beverly Watson

Highschool is like a post office, a lot of male and packages.

Beth Wiendels

The future belongs to those who believe in the beauty of their dreams.
-Eleanor Roosevelt

Chantelle Wight

Nicole Wilcox

Never believe what you hear and only half of what you see.

Amy Wilson

Giver tits!

Nancy Wilson

Party hard rock-n-roll. We are the class you can't control! Lots of pretty ladies, lots of handsome men. We are the class of 2010!

A New Adver

Congratulations

ture Awaits!

Class of 2010

Walking down the path to **SUCCESS** *Academic Awards*

On the morning of June 10, 2010 Mr. Sands, Ms. Pardo & Miss. Brown led the Junior and Senior Academic Awards that took place in the cafeteria. We had a very successful year of winners:

Senior Music Award - Emily Jackson & Reg George, Drama Theatre Tech Award - Elizabeth Houle, Drama 'Rising Star' Award - Garrett Cloud, Drama Senior Outstanding Performance - Hannah Teeple & Elijah Bailey, Grade 12 Math - Ben McIntyre, Grade 11 Math - Aaron Cassidy & Jimmy Dejeu, Grade 11 Physics Contest - Ashley General placing 3rd in our school, Nate Teeple placing 2nd and Brad Brower placing 1st. Ben McIntyre also got the Sun Life Financial Canadian Open Math Challenge and placed in the top 25 percent of contestants in the Fermat Math Challenge for Grade 12's!

Quinn Mackenzie happy she got her junior letter.

Top in Class Grade eleven winners

Aaron Cassidy placed in top 25 percent of contestants in the Fermat Math Challenge for grade elevens.

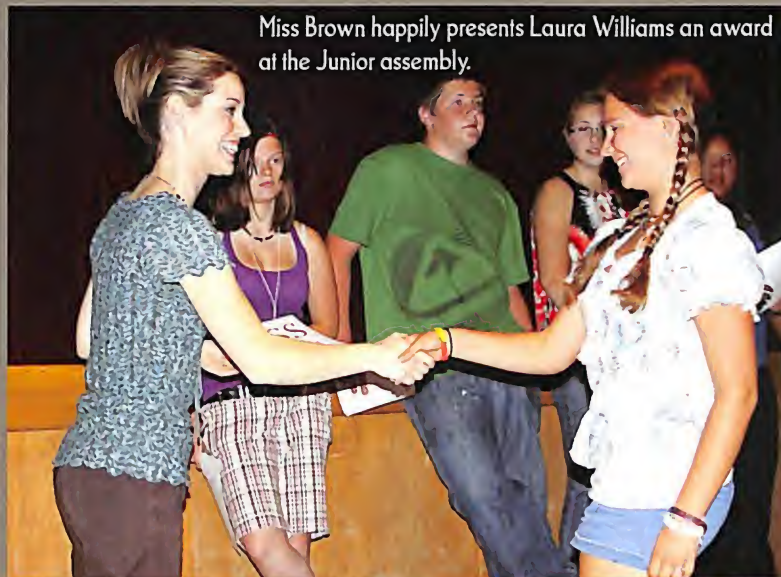

Elijah Bailey and Hannah Teeple receiving the Senior Drama Award from teacher, Mr. Dumais.

Mr. Reid presenting Mitch Geerts with his award '2010 Sir Isaac Newton Exam' for Physics.

Miss Brown happily presents Laura Williams an award at the Junior assembly.

Mr. Dumais presenting the 'Rising Star' award to Grade 12 student, Garett Cloud.

Jodi Rutten, Michaela VanKessel, Dillon Wellington, Cory Vandenberg and Emily Wilcox winning a variety of awards in Multiple Categories.

Grade Eleven Hardest Working winners

Ben McIntyre, Rachel Acton, Josh Kember, Kyle O'Grady and Mitch Geerts getting their awards for their excellence on the Physics Waterloo Exam.

PARENTING CLASS BRINGING HOME THE BABIES

Taking Baby Steps

Ms Pardo's Parenting class spent the semester learning about pregnancy and parenting, but they also had a lot of fun. The class had different projects and assignments to let them experience parenting and babies.

One project involved

everyone wearing a realistic pregnancy belly for a day to see what it's like to be a pregnant teenager.

Another project had everyone taking care of a life-like baby for 3 days and nights. The babies cried and needed

to be fed and changed, just like a real baby. The experience showed everyone how hard it is to take care of a baby.

Highlights of the class include making baby books full of pictures of their baby, and tasting baby food!

Christina Veens swinging on a swing with her baby girl

Rebecca Varies holding her baby boy

A student's diorama of a baby's nursery room

Melanie Williams feeding a bottle to her baby

One of the life-like dolls everyone had to take care of as part of the project

A Healthy Direction to Head In

Students in Mrs. Johnson's Exercise Science class spent the semester studying the bones and muscles of the human body. After a tough semester of educational activities the class deserved some fun and they took a trip to Toronto to a Body Worlds exhibit at the Ontario Science Centre. There, students learned about muscles in a hands-on way.

While in Toronto, the class went to the Hockey Hall of Fame to see the Stanley Cup and look at the changes in hockey history.

E-Sci students also had a fun smoothie-making day while learning about the importance of nutrition. Students made smoothies in their groups and then voted on the best tasting smoothie.

Kerrie, Kate, and Megan making their smoothie for Smoothie Day

Detour To Daycare

Living and Working With Children

"By the time the actual day came we were all really excited", said Olivia Kraft, grade eleven.

The Living and Working class is not all fun and games. Besides the assignments that took up the students' time like their colour booklets and research essays, the class spent most of their time planning and preparing. Every Friday, the students in Mrs. Pardo's class were preparing crafts for their upcoming Day Care Day. This began at the start of the semester and didn't finish until June 11, the actual day of the Day Care.

They called it "Un-

der the Sea", decorated with characters from Finding Nemo and lots of homemade crafts. You entered through a doorway of blue streamers and balloons, into a room filled with fish and seaweed. There were many crafts and games for the children to do at the Day Care including making Goop, sponge painting, and turtle crafts.

Besides the Day Care, the class spent their time learning about child developmental theorists, working with children in the workplace, and development of children.

Charlene Burnam had fun at the goop station during their day care day.

A beautiful underwater themed cake, made and cut by Jaime McKellar was enjoyed by all.

Paige Herrington brought her little cousin in to enjoy the day with her.

Olivia Kraft and Jessica Campbell worked hard on their elementary school colour books.

Students and children had many activities they could do, like sponge painting.

Mrs. Pardo and her daughter Sydney enjoyed playing with the goop as much as they enjoyed making it.

Kyle Allen prepares for the Day Care Day by cutting out sponge creatures for painting.

Sydney Pardo, Riley Pardo, and Owen Breeze had lots of fun during their stay at the NLSS Day Care.

Sarah Veens didn't mind taking some time out of class to read children her colour book.

From cupcakes to painting to making turtles, there was lots for these kids to do while visiting NLSS.

Kate Delmage focusing on her book

Beginning the journey in English Class

English class is always full of excitement - with creating a wedding dress while reading Romeo and Juliet, working together as a team to battle Mr. Perry's critical reviews and paying close attention to the Language Power lessons.

There will always be something to look forward

too each year in English class. All of the teachers work hard to give students the best education, as well as include some fun activities and surprises. So everyone knows it's never a dull moment in english class!

Embarking on a New Skill

Iron Chef Competition

Every semester, Mrs. Hoskin's Food and Nutrition class hosts the Iron Chef Competition. The students are put into groups and choose a recipe that emphasizes their secret ingredient. This year, the secret ingredients ranged from banana to nutmeg, giving the students a variety of

recipes to choose from. While grade 11 students only had to make a dessert, grade 12 students had to make both a sweet and a savory dish. First semester winners included Andrew Frayne, Brett Dew, Brent Wessels, and Kailen Dew for one class, and Bailey Thompson, Rachel Geerts, Morgan Miller, and

Mikayla Pegelo. Second semester winners were Lindsey Morgan, Lauren Boyd, Culley Schmid, Kaitlyn Clark and Nicole Cassidy for the grade 11 class, and Bev Watson, Shawna Trowell, and Becca Nixon for the grade 12 class.

RUNNING A DAILY MILE

The year has just RAN by! Mrs. Johnson, Mr. Wilson, Mr. Willemse and Ms. Brown have again made it a fun, fit, and great experience for students learning new sports, gaining muscle and to have a good time. Students of the fitness class have gone through lots of Pain, Torture and Agony, as Mrs. Johnson would say. Everyday, pushing to do better and get stronger building confidence in every student in the class. The Phys. Ed staffs have introduced many activities and sports to the students from sledding down our NLSS hill on workout mats, to the beep test going line to line faster and faster, and the favourite indoor originals such as floor hockey, dodge ball and volleyball. "Makes me feel good to go and I always had a good time" says Monica Mayer

Cory Vandenkoer having a blast on the mat.

Monica Mayer heading for a fall on the hills.

Jason VanEngelen, Michaela VanKessel sledding in gym.

Willy Boyd and Ben Melville running the beep test in grade 12 gym class.

Creating Your Own Journey

The floor is swept, the lathe is shining and the shop is clean another great year of manufacturing is done.

The students and Mrs. Ward have completed many creative peices throughout the semesters in the different areas of the shop, such as stain and CoE glass, Oxy Acetylene and mig welding, plasma cutting and tin smithing, "working with all different glasses was a great experience" says Jillian Avery. Mrs Ward and her students work hands on for 194 school days this class

is a great experience for getting into a trade and using talented tools.

"I love making sparks fly" says Arie Dejong.

Students and staff are welcome every Tuesday at lunch to work on welding metal projects, stained glass and kiln glass projects. This is a continuous intake club. Some people come for a project, some stay for a semester and some work all year. During busy times, the shop is open Thursday as well.

WALKING DOWN THE Cultural Path

OJIBWE, BLUE WOLF DRUM ASSEMBLY AND ROSEMARY'S ROOM

Imagine... taking a walk in a dense and luscious forest, while experiencing new things and new ways of life... well, that's exactly what our native studies classes and assemblies feel like. Many students work together to experience the different cultures at our school.

Ginii Maaniit Atchkingan or Rosemary's Room was named in memory of Rosemary Wolfe, a Native Counselor from Kettle Point who worked at NLSS for many

years. It is a special place for our students - to catch up on missed work, attend lunchtime beading and sewing workshops or have a conversation with our two current counsellors, Mrs. Henry or Mrs. Cloud.

Students will come in regularly during the school day and sign in on the sign-in sheet. The counselors; Joanna Cloud and Cynthia Henry plan many activities for the students to attend. The counselors are also in charge of incorporating

Native arts, crafts, teachings, and language lessons to students.

At the Wolf Drum Assembly, 'I learned that the native culture is very important.' Breanne Janzen, Gr. 10.

'The Native Resource meeting that I attended showed me my options for post secondary education.'

'My favorite part of the assembly was when we dressed the wolf drum because it was fun...and very interesting.'

Morgan Williams, Grade 9

'Everyone is welcome, not just Native students, we want to be very inclusive.' said Joanna Cloud, Native Education Worker. The assemblies and classes we have bring everyone together and introduce new cultures and lifestyles.

Morgan Williams and Katherine Furtney with Constable Luke George putting together their first wolf drum.

Constable Luke Goerge playing the drum with the Blue Wolf Drumming group.

Culture is the widening of the mind

Rosemary's room is located on the second floor and it is decorated with posters and inspirational messages.

Monty Kohoko, one of the O.P.P. constables, and Geri Sellinger watching the wolf drum performance.

and of the spirit.

New Road, New Experiences

Quebec Trip

Alicia Few, Kayla Bakker, Nicole Soetemans, Ashley Cornelissen sit to record the statistics.

The St. Donat Quebec Trip is always an exciting adventure for French students of all grades. The students travel by bus to St. Donat, Quebec on February 17th, where they enjoy skiing, shopping, fun activities and meeting new friends. This year the students were accompanied by Mme Lefebvre and Mme Sanders. Everyone had a wonderful time and the trip will definitely be a hit for the years to come.

Nicole Soetemans, Kayla Bakker, Dane Kudland, Alicia Few, Ashley Cornelissen, and Dan Steward taking a break from the snowy hills.

Madame Lefebvre and Madame Sanders pose for the camera as they wait for their turn to ski down the slope.

Ashley Cornelissen takes a turn sawing the log.

Alicia Few shows everyone up with her sawing skills.

The New Generation of Creative Minds

Media Arts

Media Arts at NLSS packs a lot of information into one semester class. Just like the multiple elements of life, there are also

Kristen Wight and Michelle Martin deciding on the final layout of their 12 panel project.

multiple elements in design. Mrs. Buechler gives her students sweet time and talent to share her skills with photography, art and design with her students.

When you have a passion to make a boring picture more exciting, a big chunk of Media Arts is working in photo-shop, and learning to mix different elements together and come up with a new creative design.

In this class you learn to put different types of textures, design elements and developing your five senses into your projects to create a new interesting image.

If you love to design using your imagination and whatever you are given to create something so so fascinating or even planning to get into advertising in the near future, this is the class for you to enroll in. This class fills fast, so don't lose out!

VISUALIZING THE Horizon

Junior-Senior Visual Art Classes

The students in the visual art classes spend much time perfecting and enhancing their skills. As the junior classes start out and learn the basics, the seniors get to relax and make art, knowing they already possess the artistic talent needed to complete their pieces.

This year the art students from all grades were able to go on an art trip to Toronto. While there they were able to visit the AGO, looking at the different styles of art and

the various artists. Also, they were able to watch a showing of Cirque Du Soleil's 'O', take in dinner at the Hard Rock Cafe and visit the Eaton's Centre.

The talented students in Mrs. Buechler's junior and senior art classes learned many new techniques and elements that go into art that they can keep with them well past highschool into their careers.

Kaleigh Smith likes to keep her lines straight and perfect when working on her assignments.

Amanda Shawnoo and Naomi Bresselle work on their still life portraits in the senior art class.

With the help of a Fanshawe college art student, Cassandra Armstrong is making good work on her portrait.

Grade 11 student Alex Vanvalkenburg takes a break while sketching her portrait.

Grade 10 student Courtney Wiendels shading in a black and white drawing.

Jonathan Braun working on his molded clay sculptures.

Leah Wellington putting the finishing touches on her contrast assignment.

Nicholas Hunt-Beach taking his time to complete his version of a clay pot.

Tyson Elliot-Wrightman, Dustin Nesbit, and Silas Born showing progress on their variations of clay pottery.

Junior and Senior art students enjoy a field trip to Toronto to see art galleries and Cirque du Soleil.

Grade 11 student Monique Soetmans shows us how to paint using lines in her senior art class.

Rhin Matsi-Allen uses the perfect amount of shading and contrast for her portrait assignment.

GRABBING THE Necessities

From the beginning of the school year straight through to the end, the DD Class works tirelessly out of their class in room 160. Whether it is in the Eagle's Nest - North Lambton's unique student run store, or at lunch, serving food to the students of North Lambton in the cafeteria or during morning break dishing out the breakfast program, the students of the DD class are always present with a smile. They perform wonders in the kitchen baking their cookies - mmmm, what a smell and bagging their treats which they sell each day. And they keep dozens of students

DD Class/ Eagles Nest

nourished each morning with the breakfast program snacks they prepare each morning - including cereal treats, yogurt, apple crisp and fresh cut fruits and veggies, just to name a few. And in the Eagle's Nest, they are forever sorting and organizing the oodles of clothing and items which students and staff can purchase for a steal. They are a busy group of students. But despite their busy schedule, there is always time for their gym classes and field trips.

Dylan Elenor and Mrs. Robinson sort through the rack of clothes

Megan Simpson checks out the stock in the Eagle's Nest.

Megan Simpson and Mrs. Starkman organize the different bags of popcorn and money

Jacob Holbrook at lunch is all smiles

Mitch Bullen shows off his Jr. Athletic Award

Dylan Ealeon goes over the racks, ensuring they are all in order

Krista Kaedzel takes care of the money and candy

Work Experience

Cooperative Education / Peer Tutor

Every year around 80-100 students at NLSS take Cooperative Education. This course allows students to go out into the workforce and experience a job they have an interest in. Co-op requires 220 hours and is worth 2 credits. You can take a co-op anywhere; some students have gone into elementary schools, nursing homes, hospitals, daycares, and automotive shops, veterinarian's office. This is a great learning experience for students who are not sure of what they want to do in their future; this course allows you to

choose what you have a passion for. Grade 12 student Robyn Skinner does her co-op at Kinnwood Central School, and she says 'The thing I like most about my co-op is working with the kids, the experience, and also the people I work with'.

Peer Tutoring is a course where grade 11 and 12 students get to work in the classrooms and get to experience what the teachers deal with daily, like teaching the students, helping them with their daily work and helping the teachers with mark-

ing. The students can choose which classroom they would like to work in, they usually choose the subject they do well in. Beth Weindles is a peer tutor in Mr. Hornweg's grade 9 business class and she says 'One of my favourite things about peer tutoring is getting to know all the kids better'.

Brodie Balcom gets to work at his co-op at a construction site.

Mark Wight watches Joey Degroot in Mrs. Ward's grade 10 Manufacturing class.

Beth Weindles helps out Ryan Chambers in Mr. Hornweg's grade 9 business class.

Jill Rutten did her co-op at Strathroy hospital as a volunteer nurse.

Chad Dudman and Jesse Molo did their co-op together.

Robyn Skinner stands by her colourful co-op board.

Hilary Bressette did her co-op at Hillside Elementary School.

Allison Steven did her co-op with Kinnwood Central School.

Julia Struyf looking happy about her Co-op placement.

A Long Road . . .

COMING TO AN END

Since 1976 we've had the privilege of having Mr. Hoornweg as a teacher here at NLSS. He began teaching math, and later went on to teach business, programming, and data processing. He has been teaching here for 32 years, he had to opportunity to retire two years ago, but didn't because he enjoys his job, "I like teenagers, and I like my job."

One of his fondest memories while working here at NLSS was winning a contest to serve burgers at McDonalds. He said that it was a fundraiser for the Helping Hands Foundations,

whoever raised the most money, got the chance to kiss a pig and cow and serve burgers at a McDonalds restaurant.

Mr. Hoornweg attended high school here; he explained that the school has changed a lot. The whole building is pretty much brand new, "Half of it didn't exist when I went here." Other then the school changing the staff, and the curriculum constantly. One thing Rick is glad never changes - the students, "The kids will never change, and that's a good thing."

Happy Retirement Rick, enjoy!

Tyler Adams giving his presentation.

Olivia Kraft smiling for the camera while watching the presentations.

Dayna Vanderbent getting excited on the long bus ride to Point Pelee.

Mr. Hines and Mr. Tichenoff showing the grade nine students who's boss.

Going Backwards

Ottawa Trip

In the month of April, the grade ten-history class went on the first annual trip to Ottawa. The first stop along the way was an awesome tour of the War Museum, followed by a tasty meal at the Hard Rock Cafe. Students then participated in a ghost tour of the downtown core, which included an interesting conversation between Mr. Douglas and a local poet. The day following was jam-packed with visits to the Supreme Court of Canada, the Parliament Buildings, the National Art

Museum, the Seifenbunker, and a trip to the local wave pool which was cut short with the help of some floating debris. To most of the students the highlight of the day was eating a massive

meal at Tucker's Market Buffet. The trip ended with a quick visit to the National Museum of Civilizations, a tour of the Governor General's house and some shopping at the Rideau Centre

and Byward Market. Overall, the trip was a great success and Mr. Douglas, Mr. McLean, and Ms. Pardo would like to thank all those who participated.

Laura Williams, Ashley Williamson, Cory Vandenoer outside at a monument.

Breaking The Rules As We Go Beyond The Hurt & Law Class

'Order in the court!' The Judge enters the room and bangs his gavel. 'The harassment case involving John Doe and Jane Smith has come to order please introduce your statement.'

On April 21st, 12 students from grades 9-11 participated in a 2 day workshop with the Red Cross Respect ED: Violence and Abuse Preventing, to put a stop to bullying and develop safe learning environments. The students joined in activities to better understand the fundamental principles of respecting others. The students applied their knowledge about bullying and harassment and can now help other students learn and respect others and

avoid bullying.

In Grade 12 Law Class, you study civil law, history of law, all aspects of criminal law, human rights etc. During this year's first semester, Brittnee Garrett, Kevin VanHaaren, Tyler Bryan and Garrett Peadlar attended a law competition at the Sarnia Court House. This competition involves a real courtroom, real judges and real lawyers; the students needed to either prosecute or defend the accused in a drug case. All of Lambton County schools participated in the event. During second semester, the students analyzed fairy tale crimes. The students needed to gather and produce evidence

for characters in one of the well-known fairy tales. The students had to prove the character innocent.

'The jury has decided that John Doe is guilty, John is sentenced to 500 hours of community service. If he fails to complete it he will spend time behind bars.'

The judge bangs his gavel 'Court is now adjourned.'

Garrett Peadlar and Tyler Bryan sitting at the judges table playing the part

The Creators

The inside look of this years yearbook

Start those engines or rather computers and lets get this yearbook done!
You've heard it once, you've heard it twice and you've heard it a thousand times. This is the yearbook class!
The class that designed, wrote, photographed and produced anything and everything in this yearbook.
It took an entire class to do the hundred or so pages in the

yearbook; taking lots of pictures, typing up stories, producing pages on the computer and thinking of a theme for the yearbook.
They all worked hard making this book, trying to make sure that the theme is on every page in the book. Trying to make sure their pages are in on time.
Yes, North Lambton, your fellow Eagles have made your yearbook. That meant going to every event in the school. A yearbook student is their taking your picture, making

sure that you get your time to shine on a page. From Iron Chef to The Big Crunch, they've done all and seen all. And they've been there to tell the tale for you.
So with all of this hard work, be sure to embrace it, Enjoy this year's yearbook

Travelling A New Road

Tour Of Europe

During the beginning of summer 2009, a group of NLSS students and staff paired up with students and staff from LCCVI. Together, they went on a once in a lifetime trip to the continent of Europe. Some highlights of the trip included

two days in Paris, an excursion to the marvelous Palace of Versailles, a cruise on the Seine River, a ride through the French Burgundian countryside, a stop in Liechtenstein, one of the world's smallest nations, a hike

up into the Swiss Alps, a visit to the Tyrol region of Austria, a pilgrimage to the Dachau prison camp from World War II, and a tour of the Barvarian capital of Munich Germany. All the staff and students are very glad that they did not

miss out on this opportunity and they have many fantastic memories from their wonderful European Adventure.

Back row: Ben Stubbs, Xander Ward, Mrs. Johnson, Cole Burnley, Kayla Clark, Rusty Tedball, Reg George, Mark White, Mrs. Ward, Holly Vossen, Courtney Clark, Mrs. Fenner, Mr. Perry, Staff from LCCVI, Staff from LCCVI, Mr. McLean. Middle row: Spencer Diceasre, Bev Watson, unknown, Britnee Garret, Bridget Sommers, Candace Flater, Taylor Thompson, Meaghan Lunn, Jaime Mckellar, Craig Copland, Student from LCCVI, Student from LCCVI, Joey Burnley, Meaghan Gilfoyle, Jolene Douglas, Katie McLean, Staff from LCCVI. Front row: James Pawson, Donna Pawson, Robyn Skinner, Nancy Wilson, Melina Douglas, Brooke Memme.

Some of the girls stop to sit on a beautiful staircase.

Nancy Wilson and Robyn Skinner enjoy their ride on a European Tour Bus.

The students have no trouble getting through airport security.

Melina Douglas, Jolene Douglas, Kayla Clark, Cole Burnley and Joey Burnley sit back and enjoy their ride on the plane.

These girls pose with the sculptures.

The students got to see the original Mona Lisa painting.

Revving Up The Engine

HOME COMING

The crowd was going wild as the boy's hockey team was fighting for the winning point in the third period. The buzzer went without a change to the scoreboard, but everyone was still excited about the game that was tied 4-4.

The girls fought just as hard as the boys did, scoring the first point of the game, but the final score was 5-2, with the other team winning.

It was a day filled

with school spirit, teachers and students were all having a blast dressing up and getting their faces painted before heading over to the arena.

Some really enthusiastic students kept the excitement going by getting everyone doing the wave and screaming out cheers to encourage our teams.

It was an amazing day filled with all the school spirit you would expect from the students at NLSS.

Grade nines having a blast in homemade t-shirts at their first ever North Lambton Homecoming.

Hampson, our school mascot, getting the crowd pumped up to help cheer the team on.

Eagle fans making noise to pump up the crowd and our team!

"It was awesome! Everyone participated and showed their support by painting their faces", said Ms. Moergerl.

↑ HOCKEY ARENA
HOTDOGS
FACE PAINTING

The crowd was going wild as they cheered for our school's home team to win the game.

The teachers all made sure to dress in Eagle wear as they watched the intense action on the ice.

"It was my very first Homecoming, and it was such a good experience!" said Kelly VanMoore, a grade nine student.

The students in Mr. Douglas's class show their school spirit on Whirlwind Day by wearing all white.

Mr. Hoskins' fashion class wearing the spirit scarves they made for Homecoming.

GIPSY ROAD

TALENT HERE AT NORTH LAMBTON

On September 24, 2009, the senior drama class, Mr. Dumais and Mrs. Sivell organized our annual Coffee House for this year. They planned and executed yet again another great Coffee House with a crew of many behind the scenes.

Inspiring singers, guitarists, pianist and even a dancer showed off the amazing talent this year. It was just pure acoustic goodness here at the Coffee House with a packed house in our cafeteria as the music

and applause filled the air of the cafetorium, "The entertainment talent from our school is so great, and so much fun being apart of!" says Elijah Bailey, one of our MC's from this years Coffee House. He too was in our Coffee House with

our own Liz Houle, singing a duet together.

Delicious treats made by Mrs. Hoskins foods class finished out the evening! Mr. Dumais would like to thank everyone who helped out and the wonderful audience that shared the night of North Lambton's awesome talent. It's just good music, good coffee and good times here at NLSS.

HAUNTED HIGHWAY

Halloween & Slave Day

Grade 12 girls looking fine in their costumes.

Becca Nixon is happy to be a slave.

During the month of October, NLSS students showed their true spirit for theme days. If it wasn't grade 12's doing whatever grade 9's said on October 2 for Slave Day, it was dressing up for Halloween on October 30 or sporting their favourite jersey on jersey day, or dressign black and white on black and white day.

Halloween was especially appealing this year as there were lots of different types of costumes, ranging from G.I. Joes to 'dirt bags', lumberjacks and football players.

Grade 9's had a great day with their slaves, from having penny races on stage, carrying books and just having their grade 12 slaves bowing down to their masters... what a creative way to make grade nines feel involved in the school with this ice breaking day.

Morgan Williams got creative with her slave Amy Wilson.

Amy Wilson, Sarah Veens and Steph Thuss terrified to pose with 'crazy' Mr. Hanson.

Haeden Donald looking like a princess thanks to his slave Liz Yankovich.

Grade 11 girls showing off their true halloween spirit.

Mackenzie Mitchell shows uniqueness by giving her slave Emily Mellon a face mask.

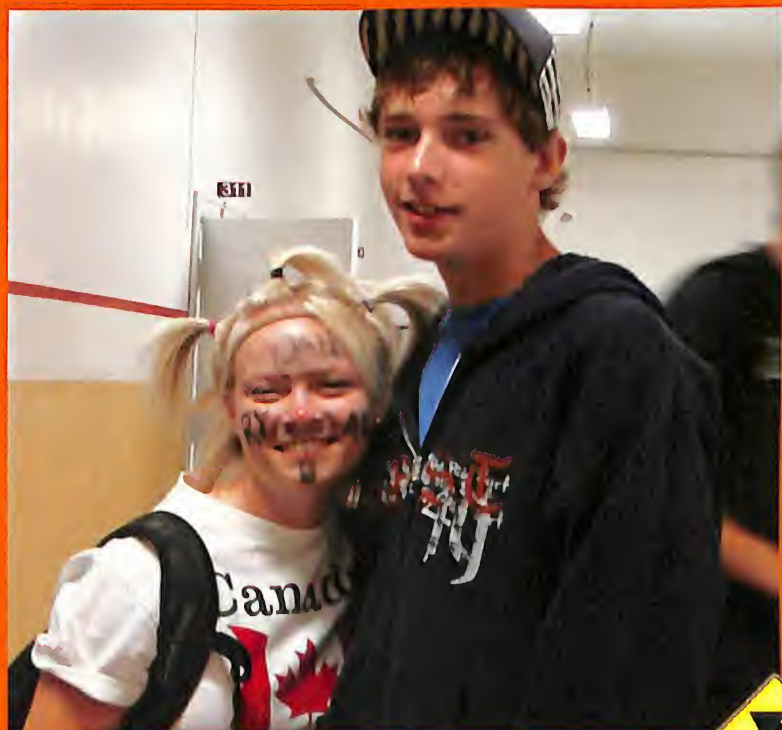

Karli Caughy shows love for her cousin Connor Caughy by making him wear a crown.

Gracie Mellon showing off a new hairstyle inspired by Dan Ryan.

Miss. *Smurfen* have been smurfed by Michelle Medellin, Amanda Shawnoo and Kerrie Dervin.

Brittany Van Bree taking a break with her slave for a quick picture.

Remembering Past Journeys

Remembrance Day Assembly

Mr. Marion laying our school's wreath at the assembly.

On the 11th hour, of the 11th day, of the 11th month, students at our school paused in a moment of silence to pay tribute to the fallen soldiers who fought for our freedom.

Reg George and Mr. McLean spoke at the assembly to a cafeteria full of students there to remember the soldiers from the past, and to respect the present soldiers. Everybody listened respectfully to the tragic stories that were being told.

Our students showed respect to all of the soldiers who fought for us as we shared a moment of silence, and as the slide show played.

Listening to the poem that was read touched many students such as Megan Van Meersel who said, "It was a very moving assembly."

The room fell silent in respect as the reveille was played at the end of the assembly.

Reg George talks to the entire school about the tragedies of war as the Remembrance Day slideshow plays in the background.

The cenotaph at Kettle Point.

Remembrance Day art done by Daniel O'Hagan.

The wreaths that were laid at the assembly by the cross.

"It was a very respectful way to remember those who fought for our freedom," said Kate Delmage.

Mr McLain shared stories of the war to the students as they all listened respectfully.

In Flanders Fields the
poppies blow
Between the crosses row on
row
That mark our place; and in
the sky
The larks, still bravely
singing, fly
Scarce heard amid the guns
below.

We are the Dead. Short days
ago
We lived, felt dawn, saw
sunset glow
Loved and were loved, and
now we lie
In Flanders fields.

Take up our quarrel with the
foe
To you from failing hands we
throw
The torch; be yours to hold it
high.
If ye break faith with us who
die
We shall not sleep, though
poppies grow
In Flanders fields.

Our Journey To Italy

Enrichment Club

"It's an experience you just can't get from a classroom," Mrs. Martin has said of the Enrichment Programs that took place this school year.

The Enrichment Group in a growing club at our school, the members of the school year of 2009-2010 are; Karli Caughy, Taylor Fraser, Katherine Furtney, Klarke Kaetzel, Dane Rudland, Jillian Avery, Shelly Campbell, Corey McCulloch, Shannon Plant, Danielle Steven, Joline Teeple, Tanner Thompson, Ryan Vansteenkiste, Doreen Watson, Leah Wellington, Cody Brown, Aaron Cassidy, Alex Fraser, Ashley General, Dalton Hachey, Sean Parker, Nathan Perry, Nate Teeple, Rachel Acton, Zach Aitken, Ashley Gordon, Ben McIntyre, Theo VanAert, and Xander Ward. Over the year the students were invited to different enrichment programs at other schools within the Lambton Kent

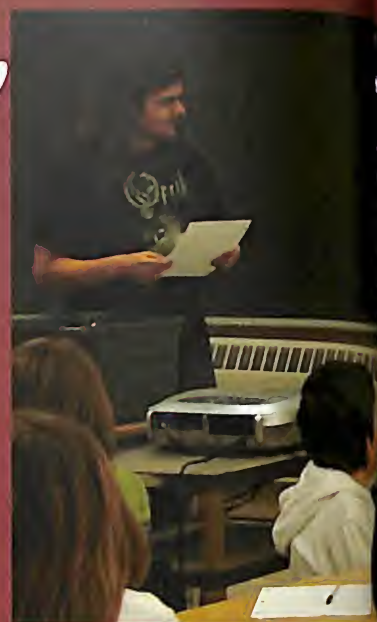

District School Board, or for a lucky few, to universities. These programs would, 'expand their horizons,' on things such as designing, researching, global journeys, and chemistry.

On December 3, 2009 The Enrichment Group hosted the sixth annual, 'Cultras De Mundo' Workshop throughout the halls here at NLSS. This year the culture chosen for the Cultras De Mundo was Italian. Some of the activities that the selected grade sevens and eights got to participate in were discovering the differences in foods, religion and Vatican, architecture and landmarks, gladiators and coliseums, the Sinking City of Venice, and the language of Italy. All in all the elementary students left the workshop with an enlightened mind, as did our enrichment students and the workshops they participated in.

Abraham Neustator and Zander Ward professionally deliver a presentation.

Rachel Acton, Jolin Teeple, Shelly Campbell, Doreen Watson, Leah Wellington, Shanon Plant, Danielle Steven, Ryan Vansteenkiste, Corey McCulloch, Tanner Thompson, Katherine Furtney, Kyrian Gerrtis, Karli Caughy, Dane Rudland, Alex Fraser, front row Taylor Fraser.

The Culture Group: Leah Wellington, Shannon Plant, Ryan Vansteenkiste, Corey McCulloch, and Tanner Thompson

Absolutely MURDER

A Senior Drama Production

Absolutely Murder is a play full of twists and turns and suspense that doesn't subside until the curtains close.

Kate, who is played by Maygin Ward is with her Aunt Bess (Justine Soepboer) and her boyfriend Sky Bently (Jack Vandenburg) when they enter an old Gunpowder Factory to get out of the rain. Kate's Aunt had been thinking of buying the old factory and turning it into a new home. Suspense begins to build as Kate and Sky discover that a not-so-dead corpse is wandering around the old factory.

The senior drama play was performed in September of 2009 and every single person; cast, crew, Mr. Dumais and the extra volunteers, helped to make the performance a major hit.

"Mystery plays are meant to be confusing, but they are also confusing to learn." Jack Vandenburg, Grade 12. "It was a

challenge."

Absolutely Murder has many comical elements as well as suspense. The actors from the senior drama class did an excellent job with the amount of time they had to prepare.

Cast of Absolutely Murder:

Kate Landson: Maygin Ward
Sky Bently: Jack Vandenburg
Aunty Bess: Justin Soupbour
Mrs. Ranch: Nichole Savoie
Lane Burrage: Tyler Adams
Dr. Claude Hooker: Garret Cloud
Lorna: Sarah Dumais
Dottie: Jennifer George
Nan: Elizabeth Houle
Charlie: Elijah Bailey
Emmeline: Natasha Collete
Nurse: Stephanie Robinson
Mr. & Mrs. Cordyce: Redge George
and Nicole Wilcox

Nicole Wilcox (Mrs. Cordyce) and Redge George (Mr. Cordyce) offering Garret Cloud (Dr. Hooker) a lantern after the stabbing of Emmeline.

Sarah Dumais (Lorna), Jennifer George (Dottie), and Elizabeth Houle (Nan) after they first entered the home with Dr. Hooker.

Jack Vandenburg (Sky Bently) preparing to accuse Garret Cloud (Dr. Hooker) of the stabbings occurring at the Gunpowder factory, while Nicole Savoie (Mrs. Ranch) and Justine Soupbour (Aunty Bess) watch in anticipation.

The play comes to a close and the cast get together for the happy ending.

Crew of Absolutely Murder:

Taylor Pargeter: Prompter
Doug Tabor: Sound Crew
Jaime Mayer: Sound Crew
Kyle Allen: Costumes
Connor Meeachern: Lights
Danny Eastman: Set
Decoration

The Grade 12 Drama class

Jack Vandenburg, Tyler Adams, and Nichole Savoie defend themselves against Elijah Bailey, while Maygin Ward watches nervously.

Kellie Gill collects money and hands out tickets before the show begins.

Jack Vandenburg and Elijah Bailey act out a suspenseful scene together.

Tyler Adams (looking a little chilly) and Maygin Ward take a break after finishing their lines.

*"The body... are you sure it's...
is it dead?"*

A Walk Along *The Tropics*

SEMI FORMAL

On the night of December 4, 2010, the Class Of, held the annual Semi Formal. All the beautiful ladies had their dresses and heels, while the handsome men in dress shirts and dress shoes. It was an evening to remember. Voted by the student body, Jason VanEnglen was semi king and Lindsay Morgan, semi queen. The entire night was filled with memories.

"It was a night to remember"

Ridin' with the Music turned up!

MUSIC AND MUSIC NIGHT

Mr. McGregor silences the band from warm ups as he enters the room. The crowd behind him waits patiently as Mr. McGregor raises his conductor's baton and the jazz band begins to play a familiar song.

The Sr. band performed for our commencement ceremonies in October. They showed their school spirit while playing during our Homecoming in November; they also played during our Remembrance Day assembly. The Sr. band took a trip to the North Lambton Child Care Centre and played music for the little ones. The vocals assisted the Sr. Band at the Elementary

School Christmas tour and all the NLSS feeder schools visited as the vocals and band performed. On December 9th the extra curricular jazz and vocals, Sr. Band and Jr. Vocal class participated in our annual Christmas concert. On May 12th students participated in Arts Day at East Lambton Elementary where they demonstrated instrumental music for young stars. In June the choir performed at the Forest Rest Home and the jazz band played at the Relay for life on June 11th.

Music Students participated in the cross-country Celebration of Music Education in Canada on Monday

May 3rd. All across Canada, choirs and bands preformed for the public at the RBC centre in Sarnia to remind our country of the importance of music education. Sr. choir member Emily Jackson was kind enough to design T-shirts for this event. Our musicians were thrilled to have a former NLSS student singer/song writer Emm Gryner to host the event.

On May 5th musicians from our Jr. Band, Intermediate band, Jazz band, Sr. band, Sr. choir and extra-circular jazz group preformed in our Spring Music Night. "It went awesome. We played some wicked

songs, and everyone brought their A game. All around a good night" says Sr. Drummer Kyle Tedball. Awards were given to Zac Aitken for outstanding musician, Katherine Furney accepted the Jr. Award and Emily Jackson and Reg George accepted the musical leadership award during the evenings awards presentations.

Once Mr. McGregor and Mrs. Williams finished there last song, the musicians took a bow and the crowd was on their feet applauding. The Spring Music Night was a success.

Zac showing his piano skills for everyone at the Spring Concert.
 Reg plucking away at his bass during the spring concert.
 Emily Mellon enjoying the beat as she's busting out on her sax.
 Vocals class singing their hearts out with Mrs. Williams.

 Kyle Tedball playing a awesome beat at the Spring Concert.
 Member of jazz band preforing on his sax during a performance.

Lost & Found Talents

Support for Haiti

On February 18th, 2010 a NLSS Talent Show was held in support of the Haitian Earthquake Relief Fund.

Mr. Frantz Gala was the guest speaker from Haiti. He relayed his story of how the earthquake affected his family, himself and his fellow Haitians.

Mr. Gala told of his fears during and after the earthquake in an impassioned recollection of what happened after the earthquake hit. His fears that the "electricity poles might fall and electrocute us" and of how "to help dig people out of the houses" and their biggest fear that "we thought

we were going to die." The overwhelming desperation of the aftermath of the earthquake was terrifying for everyone and we felt it in the cafetorium with him this night.

Christa Kock, President of the Sarnia Lambton Branch of the Red Cross along with Alexis Burkman, Events and Sales, and Betsy Wall, Executive Director, both from FIDA [the Foundation for International Development Assistance] were in attendance.

Jessica Vanvliet sang the Titanic song, My Heart Will Go On by Celine Dion.

Andria Atchison sang Only Hope by Mandy Moore.

Jerry Selinger sang Angel by Sara McLachlan.

Charlotte Henry is five feet of awesomeness.

Bev Watson danced to Walking On The Sun by Smash Mouth.

Maygin Ward went solo singing to Ruler Wainwrights' Hallelujah.

Talents

Support for Haiti

Reggie George playing bass and Brittany Nethercott performing to Going Under by Evanescence

Sarah Dumais sang I'm Sensitive by Jewel.

Chad Vanhaaren played a couple of different songs by John Mayer

Emily Jackson performed Hero Of War by Rise Against.

Anipa Gupta sang a traditional Hindu love song.

Nicole Cassidy and Braeden Etienne sang a duet to Use Somebody by Kings of Leon.

CRUNCH!

Let's Take A Big Bite Into Health

CRUNCH!! Yes folks! The BIG CRUNCH was here. As every student, teacher and custodian took a bite. Everyone and anyone who could enjoy his or her delicious apple that day. Twin Pines had delivered the apples and the our fellow students had handed them out. Every year we have Twin Pines apples and every year they don't disappoint us, with

delicious and crunchy apples. Our students worked hard at going around and handing apples to every person in every room of the school. Yes they were on the prowl, soaring high, searching for every single student and staff member. Making sure they were well and ready for that announcement to come on. As one of our fellow members of eagle country came on to the

announcement and with a 3,2,1 each and every apple was bitten into. North Lambton always does this to tell its students to eat healthy and choose the right foods. Taking a big bite into a big red juicy apple always seems to do the trick, as all of North Lambton's garbage bins are filled with apples eaten to the core. Yes NLSS had another successful

Mrs. Buechler, Mrs. Hoskins and Miss. Bryson's classes.

Kyle Reeves and Dustin General eating their apples.

year with the Big Crunch. Supporting healthy eating and giving its students a sweet and yummy start to another day of eagle country.

On The Prowl

Health and Wellness Taking Its Toll

Lets start up the blender! And make one of North Lambton's greatest and yummy smoothies in all of Forest. Once again the Health and Wellness club had made there smoothies, yogurt smoothies to be exact. The health and wellness club is always finding out ways to show North Lambton to eat healthy, and making delicious smoothies is one of their ways of telling us. On May 5, in front of the office some

of our students spent their lunchtime making smoothies for anyone who bought one for only a \$1.50. Using not only just yogurt, but ice cream as well. As well as putting raspberries, bananas and strawberries in each smoothie giving it colour and a more yummy sweet taste to have in each bite. The Health and Wellness Club is still going strong with their smoothies. And will still go

on strong until the end time. Yes this team is making amazing smoothies. Always being creative with the smoothies every year. And each year they don't disappoint us. Giving NLSS a yummy way to stay healthy. So NLSS, go get yourself a smoothie next time. And enjoy the yummy taste of a delicious yogurt smoothie. You never know. You might want to buy another one.

Just one of the two kinds of smoothies that were being sold.

AN AWESOME

Eagle Encounter

All of the grade eights from schools around Lambton County gathered in the North Lambton gym on April 23rd to participate in this year 2009/2010 Awesome Eagle Encounter.

The grade eights learned new games to help improve teamwork and team building skills. This is also a great

way for the grade eights to meet and make new friends before they become an eagle here next year in September.

The grade eights worked really well together. 'I had so much fun getting to know them and I can't wait to see them next year.' said Abby Richter one of this year's

Awesome Eagle Leaders. The grade 8's enjoyed a hotdog barbeque and were rewarded with Awesome Eagle t-shirts in preparation for next year!

TIED TOGETHER

Ties for Tyler Benefit Dance

Tyler McGregor was one of those boys who loved to play hockey, ever since he was little he has had big dreams about playing in the NHL one day. As we all know, hockey is a rough sport and for Tyler, his dreams shattered on September 11, 2009 when Tyler broke his tibia/fibula, he was taken to Scarborough Grace Hospital in Toronto, and the doctors told him that he would need surgery to repair his bone. "We were crushed and heartbroken after hearing this news" says Trudy McGregor (mom of Tyler). Tyler's decision to have the surgery was because he was told he would be walking within a few weeks, his recovery went

well and he was hoping to be back on the ice with his team the Huron Perth Lakers. After a couple months after surgery, a bump started to develop on his leg where the original fracture was. After another surgery to fix the leaking vein, the bump on his leg keeps growing, but the doctors tell him not to worry, it could take months to heal. On December 14th, 2009, Tyler is told he can resume any physical activity, except playing hockey at his natural level. Over Christmas and New Years, Tyler started to feel sick with strep throat and an abscess on his tonsil. After getting him healthy and back to normal, he was back on the ice in no time.

Though he started feeling pain and icing his leg after practices, they take him back to the hospital to see what is going on. On January 25, 2010, Tyler, Trudy, Dean and Meagan received very traumatic news about his injury, he was told he had Osteosarcoma Cancer. "Our whole world fell to pieces" says McGregor family. To lose your dream, to be told you have cancer, and then to be told you would lose your leg. Tyler is ready to fight this struggling battle, this will not destroy him, it will only make him a stronger person, after all he is a hockey player!

Tanner Thompson, Donnie Grant, Dylan Wellington support their friend in wearing a tie.

Looking Towards *Our Future*

SRGT Kerri Bedard, with all the MADD Presenters

MADD PRESENTATION

Mothers Against Drunk Driving (MADD) gives a full awareness to teenagers across Canada. Their job is to motivate teenagers to make the right decision. With the help of families that have experienced first hand what it is like to lose a family member to drunk driving.

MADD provides an emotional video with newspaper articles, police reports, parents thoughts and teenager's stories. MADD provides the reality to teenagers and reminds them the consequences of drinking and driving.

Chantel Parks, one of the presenters

The screen shows the emotion of a mother, identifying her Child's body

The screen showing that by drinking and driving, you are also putting somebody else's life in danger. 'Good kids had bright futures', their lives were taken away.

The students of North Lambton completely focused on watching the MADD presentation

Students, Sarah Shepley and Josh Kember are very focused on the emotional presentation
One of the screens showing some of the consequences of drinking and driving.

SRGT Kerri Bedard says a few words from experience

Night across the WORLD

Full of excitement, gentlemen with their beautifully gowned ladies made their way down the decorated hallway to the 'club' from downtown Shanghai. That was the setting for the 2010 prom, themed 'Night under the Shanghai Moon'; held on Saturday, May 29th in the NLSS gym.

Ladies and gentlemen arrived in limos and buses, corsages on wrists and looking their best. Everyone had their portraits taken with themed oriental props and then proceeded to make their way into the 'club'. The

night ranged from slow dances to fast feet-work and had everyone moving. The climax of the evening was when the crowd roared into a loud chant of 'King Curt' for the crowning of Curtis Datema and Sarah Veens as the prom 2010 king and queen.

As the night continued people enjoyed the decorations, punch, music and company. The end of prom grew closer and closer and by 10 pm the 'club' was closed.

Thanks go to Mr. Morton and the members of Class Of for orga-

nizing and decorating for our memorable night and to all the teacher chaperones who spent the night with us.

Nicole Wilcox and Rebecca Vanos are not afraid to use the speaker as a dance floor.

Kim Eastman, Randall Leggate and Rachel Acton spend their night on the dance floor.

Everyone in the prom court looked top notch! Queen runners up: Beth Wiendels, Chantelle Wight, and Jamie McKellar. Prom Queen and King: Sarah Veens and Curtis Dalema along with King runners up: Jack Vandenberg, and Tyler Adams. Absent, king runner up: Adam VanEngelen.

Tanner Ulrich, Beth Wiendels, and Haeden Donald are glad there is a refreshment table because the dance floor got very warm.
Spending time with buddy David Ailken is Garrett Cloud's favourite thing to do.

Kristen Ward, Jodi Stewardson, Robyn Skinner, Shawna Trowell, Beverly Watson, and Celine comley make use of the decor.

Mitch Geerts, Max Joris, and Tayler Spradbrow relish their photo with King Curtis Dalema.

Doug Tabor and his date don't mind taking a break from dancing when they can get their photo taken.
Randa Gillally and Forrest Cable show off how well they can dance at her senior prom.

Leaving our Trail

a Trip to Ottawa

Key club is one of the school's most community oriented clubs. It is like a Kiwanis club except run by highschool students.

Each year NLSS Eagles are successful at supporting the Key Club by donating their money to charity fund raisers directed by the club such as the

one in support of creating new clean water wells in underdeveloped countries.

The members of the Key Club also attend an annual convention. This year it was held in Ottawa. Coming home from their trip to Ottawa, members of the key Club bring awards, as well as great memories to fill their

highschool road book.

As said by all members "It's (Key Club) is a great way to have fun, and give back to the community."

KEY CLUB PLEDGE

Gamers Layer

"The thing I like about gamers lair is everyone is nice and everything is fair," says Xander Ward. This group was created just to have a little fun and competition at lunchtime. Mr. Murree and Mr. Singh are the teachers who keep it running, and Mark Wight and Xander Ward are the executives.

There are many gamers who come during lunch to enjoy the games, including Nick Hunt Beach,

Jerry Selinger, Brock

Nick Thuss, very into a game

Nick Hunt Beach

Jerry Selinger

Surette, Elijah Bailey, Nick VanBeek, Nick Thuss, Culley Schmidt, and Jordan Humphries. Gamers layer started at the beginning of the year and has had many tournaments and rivalries throughout the whole year.

The club would meet usually on Tuesdays and Thursdays, although if enough players would come at lunch they would have it on the other days throughout the week.

When asked what

he enjoyed most about gamers lair, Mark Wight replied that he likes "the competition." Many games were played during this year; some of the favourites are Super Smash Brothers, and Magic The Gathering.

During the tournaments, titles were won for being the best at a specific game, next year the champions will be battled for new winners, good luck everyone!

Brock Surette, Xander Ward, and Mark Wight

A Quick Trip

Reach For the Top!

Here at North Lambton, we pride ourselves on having some of the smartest kids in Ontario. But on a more serious note, the students of the club 'Reach for the Top' challenged the teachers in a match of tough questions and good fun.

The competitors were equally matched, and the teach-

ers weren't going down without a fight. However, the students, who clearly had the upper hand with the most experience were successful in winning this years challenge.

Congratulations NLSS students!

Mr. Dumais reaches for the top.

Michelle Medellin, Reggie George, Justine Soupboer and Nicole Cassidy form the first team of the NLSS Students against the teachers.

Mr. McLean throwing out some tough questions to the teams.

Mr. Douglas enjoying every bit of the competition.

Justine Soupboer ready for the next question.

Mr. Wilson celebrating a correctly answered question.

NLSS EAGLES JOURNEY DOWN THE NILE WALK LIKE AN EGYPTIAN

On July 7th, 2010, students from NLSS embarked on what was to be a journey of a life time. The party including Mrs. Buechler, along with Jodi Stewardson,

Mrs. Buechler with her son Brandon in traditional jalabayas.

Douglas MacLean, T.J. Little, Kelsey Prong and son Brandon Buechler, and 11 BDHS students departed from Toronto after a long delay at 9:30 pm and arrived more than 24 hours later to the blistering night heat of Cairo, Egypt. In the next 11 days, the group explored the museums of Cairo, Luxor, Aswan

and Alexandria, cruised along the Nile River, rode camels into the desert, took a shuttle flight deep into the desert to Abu Simbel, climbed the Valley of the Kings, and immersed themselves in the culture and history of ancient and modern Egyptians.

Not enough can be said about the

graciousness of our tour director, Adel Hegazy, who was an endless encyclopedia of Egyptian history. From the King Hotel with its quiriness to the poshness of the Radisson Blu, the group experienced the splendour of Egypt and will remember each moment for a lifetime.

Mrs. Buechler holds a baby crocodile housed in the Nubian village.

Tour Director, Adel Hegazy give a history lesson at one of the many sites visited on the journey.

A friendly game to pass the time while on the cruise ship.

Jodi Stewardson, Kelsey Prong and T.J. Little express their joy at arriving at the world famous pyramids.

Glass blowing at the perfumery in Cairo.

Douglas MacLean enjoys the ride in a faluka boat as we cross the Nile to visit a Nubian village.

The searing heat of attempting to scale the sand dunes can only be relieved with a dip in the Nile River.

Walking on **SUNSHINE**

Fun in the Sun Day

The sun was out and the sky was glowing, you couldn't ask for better weather for this year's Fun in the Sun Day. Students came from their period C classes to enjoy the weather and have some fun. Games included blindfolded musical chairs, Tug-o-war, beach volleyball, over under, and the favourite dunk tank.

The teachers that graciously volunteered to get soaked in the dunk tank this year were Mr. McBain, Mr. Dumais,

Logan Kember tries his best to put Mr. McBain in the water while at the dunk tank

Jodi Stewardson, Shawna Trowell, and Robyn Skinner show Allison Steven and Emily Jackson the best way to cool off.

Through media inspiration the game Blind folded musical chairs was created, then enjoyed by many.

Aside from being dunked a couple of times, Mr. Murree keeps up a positive moral when facing his next challenger.

and Mr. Murree. It took the students a couple tries to make the first dunk but Jason VanEngelen finally put the teacher in the water.

A thank you goes out to the members of Student Council for organizing the day, as well as Athletic Association, who ran some of the games. Without these two teams, the students would not be able to enjoy their day outdoors.

kyle Leyten pushes Eric Vanos to the ground in an attempt to win the tricycle race, but Eric likes to make it difficult.

Jilanda Szmiett shows Shelly Campbell, and Rachel Smith the easiest way to win the bag race.

The DD kids came out to enjoy a big water fight with Mr. Singh's science class!

Martin LeTourneau and Megan Acton get a slow start for their over-under race.

Kaitlyn VanEngelen shows off how well she can bump while playing beach volleyball with her class.

Tug-o-war would be nothing without a pool of water and Jeffery Strain is about to get soaked.

Testing a New Path Grade Nine Try Day

Grade 9 can be a scary experience at first, not knowing any of your classmates, switching classes every 70 minutes. Grades 9 Try Day helps the new student of NLSS get outdoors and compete in fun and new activities, while meeting new classmates.

A total of 73 grade nines and 7 student volunteers jumped on a bus and headed to The Pinery on September 23rd. The first activity that took place was a three-legged race, because there's nothing like being tied together to get to know one another. It was all smiles and laughs as the pairs of

students tried to cross the finish line first.

At one point, the students had to get into groups of four and try to run a 'five-legged race', which in the end, was harder than you think. Most groups fell in the process of trying to win the race.

Cheryl-Lynn Tomlinson and Mariah MacGregor help a couple of classmates off the ground.

Dan Stewardson and Blake Dew racing to the finish line, not letting Blake's lost shoe slow them down.

Cheryl-Lynn Tomlinson and Mariah MacGregor helping a couple of classmates off the ground.

Dan Ryan and Cody Perriam work together as a team to stay afloat as Amy Wilson watches over them.

All 73 grade nines, student volunteers and teachers gather together for a great group photo.

Some grade nines running into each other as they learn how to canoe.

Tyler Ross, Jill Soetemans, Mackenzie Cloud, Daniel Huctwith, and Max Main smiling as they put all their effort into winning at tug of war.

The second activity was a tug of war contest. Some kids even tried to compete one-on-one, like Morgan Williams, who ended up on the ground being pulled by her opponent in their effort to win.

The last activity was canoeing, taught the students a new way to use teamwork. Luckily, only a few students fell in the water. In the end it was a great day to get out and meet new classmates.

Little shop of HORRORS

Lights, Camera, ACTION!

The cast of Little Shop of Horrors did an amazing job memorizing their lines and acting them out in this year's play lead by our Drama teacher

Mr. Dumais from April 15th to the 17th here at the school in the cafeteria. However the cast couldn't have done it without the help from back stage crew, hair, make up and wardrobe artists. They

Reg George (right) and Dustin Herman (left) singing their hearts out

Seymor (Garret Cloud) feeds his hungry plant.

The cast and crew poses for a picture after one of the shows.

did a wonderful job helping plan and create the looks for our actors in the play. We can't forget about the sets, lights and music that set the mood - a special thanks to the crew for all their behind the scenes work. During intermission, while the cast was taking five the

audience got to enjoy a few treats made by our very helpful foods room taught by Mrs. Hoskins. There were cookies, brownies, coffee and tea prepared for this special occasion and served by student volunteers.

Good job eagles!

The downtown girls hit all their notes in this musical

Audrey and Seymour singing their duet.

Assistance Along the Way

Athletic Association

Athletic Association is a club that was made to raise money for sports teams here at NLSS. Tournaments, league fees, transportation, and uniforms are all things that the money that was raised in AA goes towards. Athletic Association Co-Presidents this year are Jodi Stewardson and Rebecca Nixon, with Vice President Kerrie Dirven and Secretary Beth Wiendels.

Fundraising for 2009/2010 included, selling meat pies, "Pork on a Fork", Little

Ceaser's pizza. BBQs at lunch, tournaments for other schools, and of course the annual unique Auction. They also did many draws for their Cash Calendars, a joint benefit for Tyler McGregor and Back the Track dance, and a food booth up town during the Olympic Torch Relay through town. The members of AA are proud to announce they make more the \$100 at each BBQ.

The Unique Auction is always the largest fundraiser done each year. Auction Chairs Beverly and Doreen Watson pulled out

another success and matched last year's total of \$8,000! The members weren't alone this year at the auction seeing as how Mrs. J was able to clear her busy schedule and get into the busy night with the crew.

All of the members of Athletic Association put a lot of effort into raising money for the many sports teams. The total raised this year comes in around \$10,000! A big thanks goes out to Mrs. J, because without her the club would be non-existent. Many

teams could not carry on without the extra financial support that AA provides for them. The whole club really appreciates her and all that she does.

"I'm proud of Athletic Association this year. We had a lot of people helping out and everyone worked really hard. I couldn't ask for more support from our students then what we get now", says co-president Jodi Stewardson

AA member Lindsay Morgan was lucky enough to win the door prize two years in a row!

Kelsey Worsfold, Stacie Core, Shannon Veeke, and Kaitlyn VanEngelen show everyone how fun it is to work at a BBQ.

Kaitlyn VanEngelen and Shannon Veeke sell t-shirts for an extra fundraiser throughout this year.

Danielle Steven shows us all how well her math is while working at cash at a BBQ fundraiser.

The AA students and Mrs. J had a BBQ during the Olympic Torch Run. Staying warm was their biggest concern.

Melanie Williams decided to help out during the Unique Auction by modelling pounds of onions.

Athletic Association members with president Jodi Stewardson take a break from the hard work of the auction.

Rebecca Nixon and Spencer DiCesare spend their time during the auction working at the BBQ.

Ashley Boere made bids for some teachers that were unable to be at the unique auction.

Winning isn't everything, but the will to win is

Girls Varsity Hockey

The girls varsity hockey team went above and beyond expectations this year. The girls had three tournaments this year: the eagles hosted a tournament, a tournament in Sarnia, and the annual Toronto high school tournament. They played hard throughout their season and placed fourth overall in the league, going to SWOSSA Semi-Finals. The Eagles won the semi-finals, winning easily. The Eagles hosted the SWOSSA Finals at the Shores arena.

Although they fought hard to the end, they couldn't manage to get past the opposition goalie, losing a close game. Pretty good season considering they were expected to be second last in the league. Kerrie Dirven and Shelbi Perizeau led Eagles in points with 10 points a piece. Amanda Shawnoo and Kelsey Campbell followed closely with 9, Cheyna MacKenzie led in goal with 2.5 goals against average.

Back- Mrs. Johnston, Amanda Shawnoo, Kerrie Dervin, Kelly Morgan, Quinn MacKenzie, Ashley Buermen, Mason Bressette. Middle- Laura Mennen, Nola George, Shelbi Perizeau, Kelsey Pettigrew, Kelsey Campbell, Emily Mellon, Michelle Slaughter, Gracie Mellon, Alicia Few and Cheyna MacKenzie (Missing- Alex Van Valkenberg)

Laura Mennen & Gracie Mellon are all smiles

Kelsey Campbell about to win the draw

Shelbi Perizeau eyes down her opponent

Girls Farm Team

The girls farm hockey team traveled to Toronto's Annual High school Hockey tournament. Their number one goal of the tournament has always been to get a goal(s). Although it wasn't accomplished this year, the Eagles worked hard throughout the entire tournament. "It was a fun experience. We didn't win, but we did our best and made the best of it" says

player, Quinn MacKenzie. Kelsey Pettigrew stayed strong in net the entire tournament. Congratulations to Brittnee Nethercott, Jill Avery, Stacie Core and Kelsey Worsfold who played very well on their first time on hockey skates and competing in their first hockey tournament.

Although they didn't meet their goal this year, all the girls are pumped for next year.

Back- Dan Smits, Jill Avery, Brooke General, Mrs. Ward, Danielle Steven, Jodi Rutten, Kelsey Worsfold, Colin Vanmoorsel. Middle- Quinn MacKenzie, Brittnee Nethercott, Shannon Veeke, Nola George. and Kelsey Pettigrew at the front.

Sr & Jr Boys Hockey

It doesn't matter how tired you are, or what the score is, the NLSS Eagles boys hockey team has shown determination and the fight to the end.

The Eagles shot the season off in November, playing in Homecoming against the SCITS Blue Bombers, pulling off a tie. The boys finished the season in January with their heads held high, placing 4th Overall in the league. The Eagles qualified for playoffs, playing against the undefeated Northern Vikings.

Coach Mr. Wilson said, "We

fought hard and gave our best game. The Vikings started to get scared knowing they weren't going to win without a fight". The Eagles concluded their season, losing in overtime. Asst. Coach Mr. Hines said, "They did their best, worked hard to the end. We lost, but the boys should be proud of what they accomplished".

Captain, Mason Bressette led the team in points, collecting 17 throughout the season, followed by Chris Steven, who had 15. Cory VandenBoer led in net with 4.44 goals against average.

Back- Mr. Hines, Ryan Dirven, Brett MacKenzie, Tony Detelia, Kevin VanHarren, Spencer Williams, Adam VanEngland, Chris Stevens, Cody Ulrich, Mr. Schalk, and Mr. Wilson.

Mason Bressette Ready to win the draw

Eagles celebrate after getting scoring a goal. Its all about teamwork

The Jr. Boys hockey team had a short season, only playing in two tournaments. The first was the Flames Cup Tournament in London and held by St. Thomas Aquinas. The Eagles hockey team started off strong, scoring their first goal in the first shift of the tournament. The Eagles hockey team were the underdogs in the tournament and had tough competition. Coach Mr. Schalk said, "They (Jr. Boys hockey team) should be proud of what they accomplished".

The 18th Annual Warriors Classic in Woodstock was the second tournament of the

Jr. Boys Hockey season. The boys going into the tournament looking forward to the competition, came up short in each game. It was a close call in each, but the boys played hard to the end.

Jordan Hayes and Cody Perriam led the team in scoring, with a total of 6 points. Close behind, Max Main, Tanner Thompson and Cam Fraser had 5 points.

As inspiration, Mr Hines quotes Wayne Gretzky, "The highest compliment that you can pay me is to say that I work hard every day, that I never dog it."

Mr. Hines, Cody Perriam, Keegan Dew, Ben Lane, Clint Walker, Kyle Leyton, Jacob Atikenson, Ryan VanDenHouvel, Cam Fraser, Tyler Ross, Dan Ryan, Logan Cowenberg, Eric Vanos and Mr. Schalk.

Caution Icy Surface

Suddenly everyone burst into laughs, looking down onto the ice was Mitch Steven laying there, I guess stepping on the ice with your wrong foot isn't the best idea. This year's curling teams consisted of Kyle Tedball, Aaron Cassidy, Xander Ward, Mitch Steven. Mark Wight, Jamey VanHaaren, Ashley Williamson, Katie McLean, and Kaylea Sercombe. Curling started in October and ended in March. Both teams practiced and played at the Forest Curling Club.

Mitch Steven, Xander Ward, Aaron Cassidy, and Kyle Tedball

When asked his reasons for joining the curling team Kyle Tedball responded, "my mom forced me to try it, and I actually ended up liking it." Many have great memories from this years curling team, one of Xander Ward's best recollections was "Kyle always forgetting the colour of their rocks and having to keep asking team members."

Looking back onto his memories of golf, Chad VandenHeuvel's favourite part of golf was "walking around the golf

Kaylea Sercombe, Katie McLean, Ashley Williamson, and Jamey VanHaaren

Andrew 'Bud' Frayne, grade twelve.

course with Andrew." This year's golf team did very well and had many good times. This year's golf team consisted of Dan Boyd, Tyler Boyd, Willy Boyd, Andrew Frayne, and Chad VandenHeuvel. The boys won LSSAA

and were three shots off of qualifying for OFSAA. They were coached by, Mrs. Sanders, and Mr. McCahill. The golf team would practice on Indian Hills Golf Club once a week with the coaches and anytime they wanted. Mrs. Sanders made an arrangement so the boys could go to the course whenever practice was needed. Golf began early September and ended in October. LSSAA was hosted by North Lambton in Forest this year at Indian Hills. When asked

their reasons for joining the golf team, Andrew 'Bud' Frayne responded with a simple "I like to golf." Though they had many

good times and placed well, this year is over. Good luck to both next year's teams!

Serving their Way Along the Road

Even though our eagles didn't have an overly successful season, the teams gave all their effort and showed up to every game with smiling faces, great sportsmanship and spectacular cooperation.

Like always this seasons midget girls had big skill building experience. The girls fought a tough season coming in third losing against St. Clair. Great effort girls!

The junior girls also had a good year, winning half of their games, they were never disappointed. The girls always have a smile on the court with great team work and were never let down. The best part of the trips were getting McFlurries from Mcd's says Mikayla and Monica.

Senior Girls didn't let the results of the scores let them down, they gave all their effort and had a great time.

Senior Boys had a good season finishing in fourth overall, and enjoyed their time getting there.

No matter the final scores, our Eagles won in their own way.

The girls and their coach watch in awe as their team mates play the game

Junior & Senior Boys & Girls Volleyball

PADDLING ALONG

For a second year in a row there has been a Dragon Boating team here at NLSS. The team has done much better this year than the past year. They have bonded as a team at the practices during lunch in the gym and with the many practices held at the local pool. This has helped the team build confidence and chemistry. The team agrees that the best memory of the year was watching Brad McLean fall into the pool during a pool practice.

There has been many meets that the team has attended this year and plans to attend again next year. They have been to Wallaceburg where they placed 3rd in the B division and Stratford where they won their first race against

Paincourt, 'We handily defeated them!'

In August they plan to visit London for a meet, and in September they have lined up a couple of races in Dubuque, Iowa and Stratford again.

Mrs. Johnson would like to thank the whole team for all the fundraising they have done this year selling chicken, pork, coffee, pizza etc. She is thankful with how lucky the team is for having the support of the Forest Kiwanis, Lanxess, Watford Optimist, Mitchell's Bay Variety, and the Chatham Kent Raging Dragons Club.

Emily Melon drumming away..

The Dragon Boating team getting ready for the race.

Stealing Bases As We Go

For the first year at NLSS we had a Boys Fastball team. The players of the team were; Nate Teeple, Brett Dew, Dan Boyd, Tyler Adams, Brett McKenzie, Dillon Campbell, Mason Bressette, Chris Stevens, Ben McIntyre, Sean Parker, Headen Donald, Chris Laforge, Stephen Oleniuk, Zach Ailken, Grant Kerrigan, Kyle O'Grady, Aaron Vanderbent. The school and coaches were impressed with the interest that the boys had in the sport, so they decided to hold a fastball league throughout the local high schools.

The games took place after school around three, and were at hosted by the other schools at diamonds in the area of the school. There was also a girl's two-pitch team this year. The girls placed third overall in the whole tournament. The coaches were Mr. Willemse and Mrs. Buechler. The two fearless leaders were excited to coach the team and were impressed with the team's energy and enthusiasm. "Look forward to having a team next year!"

The Senior Boys baseball team

Meagan Lowrie makes the play at first.

Cruisin' Down The Fast Lane Tennis and Badminton

When the Jr. and Sr. Badminton team first began their season at the Western Ontario Jr. Championship in Stratford on April 10th they got off to a good start. On April 13 and 14, the students participated in the tournament at the Eagles home. Jordan Hayes and Martin Letourneau killed and placed 1st in our Jr. Boys double tournament. Quinn Mackenzie and Nicole Soetemans placed 2nd in our ladies' Sr. Tournament. Sr. Girls Celine Comely and Jessi McGregor placed 1st in girl's doubles and Sr. Boys' and Girls' Travis Copeland and partner Curtis Datema

and Sarah Veens and partner Rebecca Nixon placed 2nd in doubles. LSSAA was on April 17th at Skits where Jr. and Sr. teams advanced. Coaches Mr. McBain and Mrs. Saunders both enjoyed this year's season "the team was super duper!" says Mrs. Sanders. Mr. McBain's most memorable moment was when Jr. players Quinn and Nicole won 2nd in the seniors tournament.

The NLSS tennis team had a very short season that happens at the beginning of the school year. Coaches Miss Petrus and Mr. Walker lead them to LSSAA on October 15.

The tennis team enjoyed themselves this season and came out strong.

Beth And Tyler getting ready for a serve at our annual badminton tournament
